*Sometimes, but not always, interchangeable.
 Sometimes a consonant replaces a vowel; for example, *siipe* becomes *sippe*, etc.

Any syllable of the five series *tsha tshi tshu tshre tshro*, *sha shi shu she sho*, *cha chi chu che cho*, *tya tyi tyu tye tyo*, *shra shri shru shre shro* may lose its vowel by elision; for example, *tsitsi* becomes *tsits'*, *shiku-hima* becomes *sh'ku-hima*, *niechaku* becomes *niech'ku*, *tsiwa-himatyishi* becomes *tsiwa-himaty'shi*, *shrukukitsitau* becomes *shr'ku-kitsitau*. The vowels *a* and *u* when coming together sometimes become *ō*.
